St. Paul PHA Presents New Website in 2014!

The St. Paul PHA is pleased to announce the launch of its new and redesigned website. Visitors can expect to see significant changes to the overall look and feel of the website. www.stpha.org

FSS Graduates

Four families with Section 8 Housing Choice Vouchers graduated from the PHA's Family Self-Sufficiency (FSS) program in December 2013 and received a total of \$29,000 from their "escrow accounts". As FSS participants increase their income through new or increased wages from employment, the PHA deposits the higher rent they pay into an escrow account. Each participant sets goals when enrolling in FSS, and when he or she achieves those goals (including maintaining employment and leaving cash assistance), the participant "graduates" from FSS and receives the balance in their escrow account. Their hard work paid off! Congratulations!

FY 2014 THUD Appropriations—Request for Higher Funding for Public Housing and Section 8
